**CRITERIA: Candidates must be a member in good standing to serve on the board. The President position requires one-year past service as a director.**

### Testimonials of Service

*Since I've been in the A/E/C industry, I have come to value the BDA/OC association and the topical industry programs, networking events and education workshops. On many occasions, I have had the opportunity to speak with a potential client, and formulated relationships with experienced strategic teaming partners. My core interest within the last several years, has been to be an active participant on BDA's Board, and continue to support the organization and its vision to be Orange County's networking forum for companies that provide services for all of the built environment.*

*Erika Bennett [Fehr and Peers]  
President, BDA/OC*

*I have met valuable professional contacts, important teaming partners, and made many good friends through my involvement with the BDA/OC over the past 15 years. This organization is essential to the success of my marketing and proposal management consulting practice.*

*DeAnne Minor [NEVELLWHITE, LLC]  
Vice President, BDA/OC*
